at 110 Jefferson atreet and all the pre-liminary arrangements made, when White suddenly disappeared. He was next heard of in Cincinnati, where he stopped over on his way back to Canada and wrote a letter to Mr. Owen Lilly, making some rainer ugly disclosures about his relation-ship, and excused himself for doing violence to his ties by saying that he thought it it due to himself as an honest man. Kinsman, White said, wrote him a glowing letter in which he stated there was

point a secretary and assistant.

"Things are not always what they seem," is a well-worn proverb but still a good one. Happening yesterday to get hold of the reverse side of the record of marriage licenses in the County Court clerk's office, an Affeat, min discovered that a number of leaves had been cut out, each leaf representing four licenses to marry, showing that what purported to be a full record of licenses was not so. Depaty Clerk Lewis was asked for an explanation, and stated that the plan of taking blanks from the back of the book had been adopted to accommodate parties who wanted their little affairs kept secret for the time being. They give all sorts of reasons for their desire not to have the licenses published, one of them being that

1867.

Too much praise cannot be awarded Superintendent Semmes, of the Street Railway Company, for his manifest regard for the public convenience, though only partially successful, in his herculean efforts to for all it was worth. He had a key to the door of the Lilly Carriage Company's shops and could purion all the materials they clear the tracks of snow, and keeping all the cars running it was possible to do. It has been a troublesome business. No sooner would the snow be removed than the draymen and truck wagons would throw it back again, in some cases in a spirit of wantonness that merited the attention of the police. Mr. Semmes kept all his force of drivers, not engaged driving street-cars, employed with the snow-plows tracing the and in regard to Kinsman's robbery of his employer, suggested that a pile of sawdust in one corner of the shop be searched for

at the house of the prisoner. He found a whole carpet and half of another one, house a short time ago—Kinsman having formerly kept a lodginghouse—but it had been loaned out to the neighbors a piece
